THE GRAND ARMY

Preparations for the State Encampment Next Week.

JOINT COMMITTEES HAVE MET

And Nearly Completed the Programme. In Addition to the G. A. R. Three Other Organizations Hold Their Annual Meetings Here at the Same Time—They are the Sons of Veterans, the Woman's Relief Corps and Ladies of the G. A. R.

The joint committee of the G. A. R., Sons of Veterans and Woman's Relief Corps, met Saturday night, and after hearing reports from the entertainment committees, adjourned until Thursday evening next, when the final arrangements will be made for the Fifteenth annual encampment department of West Virginia. G. A. R., and those of state Woman's Relief Corps and Sons of Veterans, which meets in Wheeling, Tuesday, Wednesday and Thursday, May 4, 5 and 6. The state meeting of the Ladies of the G. A. R. also occurs at the same time.

All the posts of the state will send delegates, and visitors are expected from eastern Ohio and western Pennsylvania. The sessions will be very interesting, and Mayor Butts will be requested to issue a proclamation asking that all citizens decorate their homes during the encampment. Sufficient funds for the entertainment of the delegates have been secured through the energy of the various interested orders. A further sum will be secured at the bean bake next Saturday evening, given by Holiday post Woman's Relief Corps.

The first session of the encampment will be the memorial services at Fourth street M. E. church, Tuesday evening. It will be a religious service, with a memorial address by Rev. Taylor Richmond, department chaplain, assisted by Rev. Dr. Booy, and other clergymen. The church choir has kindly agreed to render the music.

The encampment proper opens Wednesday morning at 10 o'clock, in the Odd Fellows' hall, and where all the sessions will be held. Department Commander Romeo H. H. will preside. General business will be transacted during the day session, and at night a camp fire will be held. The camp fire will be made very enjoyable, and preceding it there will be a parade, headed by the crack Elkins drum and bugle corps. Junior Vice Department Commander Richard Robertson will preside at the camp fire.

At the conclusion, there will be a banquet with Prof. F. H. Crago as toast master. Provision has been made to seat 500 persons at the banquet. The encampment continues on Thursday morning, when officers will be elected and installed for the coming year. If the weather is favorable in the afternoon an outing at one of the parks will be a feature. A very pretty souvenir programme is now being printed, and the coming encampment is awakening great interest among West Virginia's "boys in blue."

Apply the Power

And the engine starts. The more power the more speed. So in business apply the right forces—honest values—honest prices—honest purpose—and there's no end to the possible pace of such a store. We're in the lead—but with the throttle of determination thrown wide open, we're driving ahead to greater business—affording you greater opportunities.

Matchless
Values . . .

These \$10 Suits of ours. Could bring a higher price easily enough. They point to the progress we have made. They show the advantage gained by buying here. It's a grade others skip. They mark such suits \$12.50 and \$15, and even then don't show a quarter part of our variety. Our bargains lie in the increased worth at no increased price of cost. That is the legitimate bargain, and we come right out flat-footed and say they're only \$10, not that they're \$12 and \$15 Suits reduced to \$10. That wouldn't be true. We're out for comparison. They're keys that unlock the facts. About fifty styles in Black and Blue Clays, Mixed Clays, Plaids and Overplaids, Serges, and all the new mixtures. All sizes, and there's no doubt about the fit, no more than if you were measured first, at mor'n double as much as

\$10.
